

Letter Of Recommendation

Dear Respected HOD
Of Kigali Institute of Science & Technology

I am writing this letter to highly recommend Delia Thoresby, a student at Kigali Institute of Science & Technology, for their volunteer work with NGO, an organization that provides education to underprivileged children. I have had the pleasure of working with Delia Thoresby as their supervisor and can attest to their strong commitment to making a difference in the lives of others.

Delia Thoresby possesses a rare combination of intelligence, passion, and drive, which makes them an asset to any organization. I am confident that their volunteer work with our NGO will have a lasting impact on the lives of the children they serve.

I strongly recommend Delia Thoresby for any future opportunities in the field of community service, particularly in the area of education. They have my full support, and I am confident that they will make a positive contribution to any organization they work with.

Please feel free to contact me if you require any further information.
